GERMAN ASSURANCE TO LUXEMBOURG OF

26 AUGUST 1939

[C 12261/6016/4] No. 112.

Sir R. Clive to Viscount Halifax.—(*Received August* 28.)

[By Telephone.]

(No. 40.)
(Telegraphic.) *En clair.* *Brussels, August* 28, 1939.

FOLLOWING is translation of text of German declaration to Luxemburg as given me by Luxemburg Chargé d'Affaires :—

"The German Minister stated to M. Bech that the Reich had decided to observe towards the Grand Duchy an attitude which, in the event of war, would not in any way infringe the inviolability of the territory of the Grand Duchy.

"The German Government expected the Grand Duchy to observe an attitude of strict neutrality.

"In the unlikely eventuality of this not being the case, or should Luxemburg be unable, in the event of violation of her territory by a third Power, to maintain her neutrality, the German Government reserved the right to take such measures as the situation might render necessary in order to protect their interest."
